Prix Émerite de l'ACMN 2014 - Appel de candidatures. Prière de faire parvenir les candidatures en utilisant ce [formulaire](#) d'ici le 14 février.

Medical Imaging Team Day 2013

The second Medical Imaging Team Day (MITD) was held in Ottawa on May 16, 2013. The purpose of the day was to increase awareness of the various professionals involved in Medical Imaging, of the appropriateness of medical imaging and to launch some new resources for [healthcare professionals](#) and for [patients](#).

The [Medical Imaging Team Website](#) was updated and the resources distributed at the event were also made available on the website.

The Medical Imaging Team includes the following organizations:

- [Canadian Association of Medical Radiation Technologists](#) (CAMRT)
- [Canadian Association of Nuclear Medicine](#) (CANM)
- [Canadian Association of Radiologists](#) (CAR)
- [Canadian Interventional Radiology Association](#) (CIRA)
- [Canadian Organization of Medical Physicists](#) (COMP)
- [Canadian Society of Diagnostic Medical Sonographers](#) (CSDMS)

Bioethics Modules Available

The Royal College's bioethics modules are available at no cost and are accredited for MOC Section 3 credits. Each module is accredited for one credit hour (3 credits total per module). [Register now for a free account.](#)

Two new interactive modules have been added:

- Decision Capacity
- Physician's Obligation to Patients in Clinical Research

The complete library also includes:

- Appropriate Use of Life-sustaining Treatment
- Competent Practice: Obligation of Individuals, Teams and Institutions to provide Competent Care
- Demands for Inappropriate Treatment
- Disclosure of Adverse Events
- Organ Donation
- Respect for Difference: Aboriginal Health
- Waiting Times

Patient-Centered Imaging: Strategies for Reducing Radiation Dose Levels in Nuclear Cardiology Studies

The [American Society of Nuclear Cardiology](#) (ASNC) has recently released an online education program for physicians and technologists involved in the practice of nuclear cardiology.

This activity can be purchased by going to the ASNC website at: http://www.asnc.org/content_15364.cfm
