

Registered Nuclear Med Technologist - Juravinski Hospital – REGULAR FULL TIME

HHS Requisition #: [111223](#)

Position: Registered Nuclear Med Technologist- Juravinski Hospital – REGULAR FULL TIME

Rate: \$33.75 - \$45.26

Union: OPSEU Local 273

Unit Summary

Step into a job that opens countless doors. We provide advanced care to people of all ages from across the province. You can explore advancement opportunities, take professional development courses, and stretch yourself as a leader, all at HHS. We are the largest employer in the greater Hamilton region, and play a vital role in training the next generation of health professionals in collaboration with our academic partners, including McMaster University and Mohawk College. Hamilton Health Sciences is a hospital system of 15,000 staff, physicians, researchers and volunteers that proudly serves south central Ontario residents. We also provide specialized, advanced care to people from across the province.

The 4 site Nuclear Medicine Department supports a diverse patient population providing service to all clinical programs with an emphasis on Cardiac, Oncology, Neuro and Vascular.

Note: Posted wage rates are as of April, 2022. HHS is currently in negotiations to renew our Collective Agreement with OPSEU Local 273. Any increases to wage rates that may come as a result of negotiations, will be retroactively applied once negotiations are completed, and a new agreement has been finalized

Position Summary

Working closely with other members of the department, the Nuclear Medicine Technologist performs clinical imaging procedures while maintaining an environment which is patient-focused. Other responsibilities include: ensuring all procedures are performed according to established protocols and standards of practice and in a safe and compliant manner according to CNSC regulations; participating in various training programs and research studies; and contributing to an environment which supports clinical excellence and continuous learning.

Qualifications

- Current registration with the College of Occupational Therapists of Ontario
- Demonstrated thorough knowledge of O.T. skills and techniques
- Demonstrated ability to provide the following assessment services: functional (COPM), lifestyle and cognitive (CCT)
- Demonstrated ability to provide assessment and treatment interventions for clients

- Demonstrated ability to contribute to the discharge planning process
- Demonstrated ability to work with students from multidisciplines
- Demonstrated ability in program evaluation, Q.A. and research
- Demonstrated communication, teamwork and problem-solving skills

As a condition of employment, you are required to submit proof of full COVID-19 vaccination to Employee Health Services.

EEO Statement

Hamilton Health Sciences fosters a culture of patient and staff safety, whereby all employees are guided by our Mission, Vision, Values, and Values Based Code of Conduct. Hamilton Health Sciences is a teaching hospital and all staff and physicians are expected to support students and other learners.

To be considered for this opportunity applicants must apply during the posting period. All internal and external applicants may **ONLY** apply via the Careers website.

Hamilton Health Sciences is an equal opportunity employer and we will accommodate any needs under the Canadian Charter of Rights and Freedom, Accessibility for Ontarians with Disabilities Act and the Ontario Human Rights Code. Hiring processes will be modified to remove barriers to accommodate those with disabilities, if requested. Should any applicant require accommodation through the application processes, please contact HR Operations at 905-521-2100, Ext. 46947 for assistance. If the applicant requires a specific accommodation because of a disability during an interview, the applicant will need to advise the hiring manager when scheduling the interview and the appropriate accommodations can be made.

This competition is open to all qualified applicants, however, qualified internal applicants will be considered first. Past performance will be considered as part of the selection process. If you are a previous employee of Hamilton Health Sciences, please note: the circumstances around an employee's exit will be considered prior to an offer of employment

Proficiency in both Official Languages, French and English, is considered an asset
