

Abstracts are invited for the Canadian Association of Nuclear Medicine
Eric Lepp Clinical Vignettes (Case Study) in Nuclear Medicine

INSTRUCTIONS FOR SUBMISSION ERIC LEPP VIGNETTES:

1. Abstracts should be 250-300 words.
2. Abstracts must present a clear, concise summary of the case to be presented and the nuclear medicine principle illustrated. Do not include introductions, historical data, literature reviews, bibliographies or mention corporate support. The abstract should conclude with a re-iteration of the primary teaching point or “take-home message” and at least one (1) figure.
3. Please see the attached description of the Eric Lepp competition for details.
4. Abstracts may be submitted in English or in French, preferably with translation. Deadline for receipt of Eric Lepp vignettes (Case Studies): Monday, February 28th 2022

Please use online form to submit:

Online Submission Form

Must be used to submit Eric Lepp submissions.

We look forward to your participation.
