NM Resident Network / Réseau des résidents en MN

The nuclear medicine community in Canada is small, so why not all be in touch? The Nuclear Medicine Resident Network is a network allowing residents in nuclear medicine from all around Canada to network, stay in touch, ask questions, share information, organise projects and more.

You can subscribe to the network through this form

(https://docs.google.com/forms/d/e/1FAIpQLSeXgcM5Ls6uwucsF71CJL0yIlg5-JuxPV7ZQC9zDdlukxd3TQQ/viewform?usp=sf_link). Take note that a document with the responding residents' names, universities and email addresses will be shared.

Also, you can request to join the Canadian Nuclear Medicine Residents facebook page. <https://www.facebook.com/groups/344278556048918/>

La communauté de médecins nucléistes au Canada est petite. Donc, pourquoi serions-nous pas tous en contact? Le réseau de résidents en médecine nucléaire est un réseau permettant aux résidents en médecine nucléaire au Canada de faire du réseautage entre eux, de se poser des questions, partager de l'information, organiser des projets et plus.

Vous pouvez vous inscrire à travers ce formulaire

(https://docs.google.com/forms/d/e/1FAIpQLSeXgcM5Ls6uwucsF71CJL0yIlg5-JuxPV7ZQC9zDdlukxd3TQQ/viewform?usp=sf_link). Prenez note qu'un document avec les noms, universités and adresses courriels des répondants sera partagé.

Aussi, vous pouvez vous inscrire à la page facebook des résidents en médecine nucléaire du Canada. <https://www.facebook.com/groups/344278556048918/>
