

**CANM
ACMN**

The Canadian Association of Nuclear Medicine
Association canadienne de médecine nucléaire

**2018 Annual Scientific Meeting
Jointly with the CAMRT
Vancouver, British Columbia
March 23-24, 2018**

***Abstracts are invited for the Canadian Association of Nuclear Medicine
Eric Lepp Clinical Vignettes (Case Study) in Nuclear Medicine***

INSTRUCTIONS FOR SUBMISSION OF ABSTRACTS:

1. *Abstracts should be 250-300 words.*
2. *Abstracts must present a clear, concise summary of the case to be presented and the nuclear medicine principle illustrated. Do not include introductions, historical data, literature reviews, bibliographies or mention corporate support. The abstract should conclude with a re-iteration of the primary teaching point or “take-home message” and at least one (1) figure.*
3. *Please see the attached description of the Eric Lepp competition for details. Please note that we will be pleased to accept abstracts describing your original research under the CANM Call for Abstracts. **Do not submit this material to the Eric Lepp competition.***
4. *Abstracts may be submitted in English or in French, preferably with translation.*
5. *Accepted abstracts will be published and must be presented orally in French or in English during the Annual Scientific Meeting.*

Deadline for receipt of abstracts: January 15, 2018

Please use online form to submit abstracts to:
